REMEDY FOR ASIATIC CHOLERA.
CHOLERA MORBUS, DIARRHOEA, &c. &c. Prepared only, and sold by the sole Proprietor, **ROBERTS BERNARD, Drug-gst, Norfolk, Va.**

Price \$1.—Patent right secured.
In consequence of the very great and increasing demand for this invaluable preparation, induced by the many cures which have been effected by the use of it in cases of Asiatic Cholera, common Cholera Morbus in children, and disorders of the Bowels generally, the proprietor has prepared, and will continue to keep on hand, a large supply.
This Remedy has been used by many eminent Physicians, some of whom have charge of the largest Hospitals in the United States, where the Cholera has prevailed to a great extent, and been fatal to intermperate, aged, and laetic persons. Their confidence in this Medicine is such that they say they are not afraid of the most inveterate cases of Asiatic Cholera, when taken in time.

DIRECTIONS.
Take a table-spoonful of the mixture, with the same quantity of water, every hour or half hour, as occasion may require, until vomiting, purging, and pains have ceased. In common ordinary cases of Diarrhoea, a table-spoonful of the mixture may be taken three or four times a day and repeated at night, upon going to bed. This medicine has been administered to children afflicted with diarrhoea, or Cholera Morbus, Cholera Infantum, and Summer Complaints, with complete success. In no case has it failed to cure the most inveterate attack. The best mode of administering it to young children, is to take a tea-spoonful of the mixture and mix it with the same quantity of water, giving it as above directed—a little sugar may be added to make it more palatable. Keep the bottle well corked.

Undoubted testimony of the efficacy of the above Medicine may be seen at the **STANDARD OFFICE**, where it is kept for sale.

Farmer's View FOR SALE.
THE Subscriber is anxious to move to the West, and offers for sale his Tract of Land whereon he now resides, laying on Deep River, in Chatham County, twelve miles above Haywood, one and a half below Evans' Bridge, four and a half below the Gulf, and twelve south of Pittsboro; containing Twelve Hundred and Sixty-eight acres; more than one half lay in the Bend of the River, Six Hundred acres of which are cleared, and may be called first and second low grounds. There is a great deal of very good Land to clear, a good site for a Cotton Factory, and a Merchant Mill on the River. One half of this site is owned by Peter Evans, Esq. This Tract is less subject to be injured by high water than any tract on the River. It is very level for this section of country, and very productive for Corn, Wheat, Cotton, &c. &c. It is sufficient to say Twenty-five or Thirty hands can be worked to very great advantage, and the farm made rich every year. The plantation is in good repair, well watered, the situation high and healthy; on it is a large Frame Dwelling House, four rooms below and three above, with six fire places, and a large framed Barn, fifty-two feet by twenty-four; in it is a large Wheel Thrasher and a Cotton Gin, a Cotton Screw, and necessary out-houses. For the information of persons in the lower part of the State, I refer them to Peter Evans, Esq. of Edgecomb; he owns the land immediately above me, on the opposite side of the River. I offer to sell part or all, so as to suit the purchaser. I advise those who wish to get a bargain and a good Farm to apply and show. The subscriber can be found on the plantation at any time.

And in order to prevent unnecessary delay, and to expedite the business of this Board, it is further

Ordered, That each claimant shall declare, his said memorial, for and in behalf of the said claim, is preferred, and whether the amount thereof, and of any part thereof, if allowed, does now, and at the time when the said claim arose, did belong solely and absolutely to the said claimant, or to any other, and if to other, what person. And in cases of claims preferred for the benefit of any other than the claimant, the memorial to be exhibited must set forth, when, why, and by what means, and for what consideration, such other has come entitled to the amount or any part of the amount of said claim.
The memorial required to be exhibited by claimants, must also set forth, and certainly declare, whether the claimant, as well as any other for whose benefit the claim is preferred, is now, and at the time when the said claim arose, a citizen of the United States of America, whether he is now, and at the time the said claim was domiciliated, and, if any, what change of domiciliation has since taken place.
The said memorial must also set forth whether the claimant, or any other who may have at any time entitled to the amount claimed, at any part thereof, have ever received any, or any, what sum of money, or other equivalent indemnification by way of insurance or otherwise, for loss or injury sustained, satisfaction of which is therein asked; and if any such payment or indemnification has been made, to what when and from whom the same was received. And that time may be allowed to claimants to prepare and file the memorials aforesaid, and the necessary proof, it is further

Ordered, That when the Board shall close the present session, it adjourn to meet again on the first Monday of December next, at which time it will proceed to decide whether the memorials, filed with the Secretary, are in conformity to the foregoing orders, and to pass upon the validity of such of them as may be found in conformity to these orders.
